Subject: Public Amenity Kiosks

Hi Jim –

I voted this morning down on Melrose Ave. so my walking route to work took me up Highland through the Media District today and I noticed that three of the public amenity kiosks (one at Melrose/Highland and two at Santa Monica/Highland) contained our outdated 2014 Hollywood Visitor's Guide & Maps. I was going to write to Francois at CBS/Decaux to ask him if they could remove them, but I thought I'd write to you first to let you know that those could be utilized by Media District if you printed anything that you wanted displayed in there. Let me know if you'd like me to connect you with Francois and the you guys can take it from there. I was just afraid that if I told him to remove our posters, he would fill them with something else, so I wanted to give you the chance to 'adopt' those for the Media District.

Hope you're doing well!
